

ANSHIKA SETH

DATA ANALYST

[Linked In](#)[Portfolio](#)[GitHub](#)

Rishihood University, Delhi | +91 8090991534 | anshikaseth953@gmail.com

PROFILE SUMMARY

Aspiring Data Analyst with hands on experience in data cleaning, exploratory data analysis and dashboard development using Python and Tableau. Skilled at transforming raw datasets into actionable insights through KPI design and data visualization. Strong analytical mindset with a focus on solving real world business problems and delivering data driven recommendations.

PROFESSIONAL SKILLS

Data Analysis & Interpretation
KPI Design & Business Metrics
Data Visualization & Storytelling

TECHNICAL SKILLS

Python	SQL	Pandas
Tableau	Power BI	Numpy
MS Excel	GitHub	Colab

EDUCATION

B.Tech in CS And AI

Newton School of Technology , Delhi NCR

2024 - 2028
Grade:6.67/10.0

PROJECTS

Flight Delay and Cancellation Analysis

[Tableau Link](#)

- Cleaned and processed large flight datasets using Python (Pandas) for analysis
- Identified major delay factors including weather, carrier, and NAS delays
- Designed KPIs such as average delay time, delay frequency and on Time performance
- Built interactive dashboards in Tableau to track delay trends and patterns
- Delivered actionable insights to improve scheduling efficiency and reduce delays
- Performed trend analysis to identify peak delay periods and high risk routes

NYC Airbnb Analytics Engine

[Tableau Link](#)

- Cleaned and transformed Airbnb listing datasets using Python for analysis and modeling
- Conducted EDA to identify key factors influencing pricing and demand patterns
- Engineered features such as occupancy rate, revenue, and price tiers for insights
- Performed hypothesis testing to evaluate impact of instant booking on reviews
- Built regression models to analyze post-pandemic price trends and recovery
- Analyzed neighborhood and property type distributions for market opportunities
- Examined guest review patterns to assess host quality and satisfaction levels
